

COMPENG 4DN4 Lab 4 Demonstration Signup

1. First you need to form a group (maximum of 4). Your group must then join one of the Avenue To Learn groups for Lab 4. This will be used for the PDF report upload and grade recording.
2. Your group must also reserve a 20 minute time slot that will be used to demonstrate the software that you have written. This is discussed below.
3. The group demonstrations will take place Mon-Fri, April 3-7. **Only ONE 20 minute reservation is allowed per group. Make sure that all members of the group are available at that time.**
4. **Please reserve a time slot before Sunday, March 19.** Time slots are booked first-come-first-served.
5. Doodle is used to make the reservations and is discussed below. The URL is:

<https://doodle.com/bp/kiananoroozi1/lab4-demo>

On Doodle:

1. Find the time slot that you want.
2. Click on the appropriate check box.
3. Click on "Continue" at the bottom. It will take you to a confirmation page.
4. **In the "Your name" box: Enter the names of all group members separated by forward slashes, e.g., /John Brown/Fred Smith/Jane Jones/**
5. In the "Your email" box: Enter the McMaster email address of the one making the reservation so that we can contact you if there is a problem.
6. Click on "Submit response". You will receive a confirmation email.

If you have any problems, please email Kiana at noroozik@mcmaster.ca.
